

Verification, Certification, and Warning Statements

Product EMC Compliance.

This product has been tested and verified to comply with the following electromagnetic compatibility (EMC) regulations.

Class A Equipment

This equipment has been tested and found to comply with the limits for a Class A digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference when the equipment is operated in a commercial environment. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. Operation of this equipment in a residential area is likely to cause harmful interference, in which case the user will be required to correct the interference at personal expense.

European Union Notice.

This equipment complies with the requirements of the following EC Directives and carries the CE mark accordingly.

EMC Directive 89/336/EEC as amended by Directives 91/31/EEC and Directive 93/68 EEC

Low-Voltage Directive 73/23/EEC as amended by 93/68/EEC

Canadian Notice (Avis Canadien).

Class A Equipment

This Class A digital apparatus meets all requirements of the Canadian Interference-Causing Equipment Regulations.

Cet appareil numérique de la classe A respecte toutes les exigences du Règlement sur le matériel brouilleur du Canada.

ROHS Compliance.

This product is RoHS compliant

EQUIPMENT MODIFICATION CAUTION: Equipment changes or modifications not expressly approved by Brickstream Corporation, the party responsible for FCC compliance, could void the user's authority to operate the equipment and could create a hazardous condition.
